

ABOUT ME

Having completed Diploma in Maximedia from NIIT, I commenced my career, Sep 2004, with Bookmyshow as a web designer. During my tenure here, had the opportunity to develop many html layouts and also learned to work on PHP, MYSQL.

Feb 2008, I joined webinfinity as a sr. web developer, leading a team of 4 developers and 3 Designers. In recognition to my ethical work practice, I was recognized with a promotion to Manager in April of 2008. During this space of my tenure, I have had the opportunity to work with the senior management on aspects of project management, planning, budgeting, web, app systems and resource management.

To take a leap in reaching my career goal in June 2017, I joined Lusail Media as a Technical Lead. Here my role was to manage and develop from scratch to fully working products for my organization and clients, thus achieving business goals.

Jan 2021; I Joined Acclivis Technologies Pvt Ltd. As a consultant, I have strong communication and influence strategies in the areas of Web & APP developments and also its Project Management and implementation, business development, finance and branding. Experienced in managing, supervising with excellent organizational and communication skills. I am Self-motivated, enthusiastic, analytic, versatile professional with team building, and strong problem-solving skill, and project development and management experience. Strong work ethic, demonstrating pride in performance and successful work accomplishment.
